FIFEplan Examination Update

In our last update we highlighted notice from the Directorate of Planning and Environmental Appeals (DPEA) that the Examination Report is now hoped to be published at the end of August/September. The Latest update from the Examination Reports maintains this timescale.

“The reporters have completed their site visits. They continue to write up their individual issues and this may result in a small number of additional further information requests. It is hoped that the examination report will be issued end of August/September” Information relating to the Examination (including information requests and responses) is available on the DPEA website (Case ref: LDP-25—5)
