Army Exercise Leuchars

Due to 2 routine military exercises, there may be an increase in helicopter activity in the local area during the periods of 12 November - 6 December inclusive. Both exercises will involve some night flying around the coastal area however as the helicopters, in the main, are not based at Leuchars, it's expected the activity will be low level. Any low flying complaints should be forwarded to the MOD Low Flying Complaints and Enquiries Unit: SWK-lowflying@mod.gov.uk / 01780 417 558.
